ABSTRACT

INDUSTRIES-Government Textile Institute, Madras-Gold Thread Manufacture-Expansion of the Experimental Gold Thread section into Manufacturing section-Proposal of the Director of Industries and Commerce-Orders passed.

DEVELOPMENT DEPARTMENT

G.O.Ms.No.373 Dated 10th March, 1952

Read the following:

From the Director of Industries and Commerce
No.942 C.5/52 dated 8.11.51.

ORDER:

The Government have examined the proposals submitted by the Director of Industries and Commerce for the expansion of the experimental gold thread section in the Government Textile Institute, Madras into a manufacturing section and have decided that, in view of the present difficult ways and means position, the scheme be taken up for consideration as a Part II Scheme for 1953-54. The Director of Industries and Commerce is accordingly requested to bring forward his proposal as a Part II Scheme for 1953-54 in due course.

2. The Government observe that the posts proposed by the Director of Industries and Commerce for the running of the scheme are new and comparable posts are not in existence. It is not clear on what basis he has suggested the scales of pay for these posts. The Director of Industries and Commerce is therefore requested to report, while submitting his proposals, the basis on which the scales of pay were suggested and also the qualifications expected of persons to be appointed for these posts. He is also requested to furnish an estimate of the probable receipts that may be realised by the sale of the finished products.
